

AQUARELLE

The artistry of hand-painted watercolor arrives in a new medium in Aquarelle, our proprietary porcelain tile. Luminous blooms of color and movement grace the surface of each tile, transferred to porcelain from watercolor paintings commissioned exclusively for this purpose. Aquarelle is designed in three soothing colorways: Aqua, a shimmering blue-green with glints of golden taupe; Navy, a rich hue that flows between midnight and sky blue; and Grey, a color that softly shifts between silver-lined clouds of both warm and cool. The fluctuating tonality offers the ability to create Impressionist-inspired surfaces of fascinating range. 15.75" × 31.5", in Matte finish.
